### PATRON

Once again we are fortunate to have the Premier of Western Australia the Hon. Brian T. Burke as our Patron.

Although his official duties prevent him from attending many soccer matches, he retains a great interest in everything that is going on in the game.

This is more evident to the Executive members and staff than it would be to soccer supporters and members generally, but all those interested may be assured that we have a patron who does not look on the position as being of mere courtesy, but is always prepared to help and advise when he is in a position to do so.

The fact that members of his family actively participate in the game gives him an insight into our needs and aims to which he will always extend sympathetic consideration.

## PRESIDENT'S REPORT

1984 was another year of progress and achievement for Soccer in Western Australia. Sometimes to listen to those who are most happy when they are knocking the game, you would not believe this to be true. But behind the scenes the Administration and the Executive Board continually work for the betterment of the game, improvement in facilities and for a more equitable share of media coverage.

### HEADQUARTERS

Assisted by the expertise of past Executive Member Mr Dennis Silver, the Secretary and several current Board Members have had many meetings with various Local Government authorities, the Department of Youth, Sport and Recreation, as well as the Western Australian Government in our constant endeavour to secure suitable headquarters for one of the most progressive sports in the State. Currently we have the assistance of the Government in trying to obtain the Velodrome as our headquarters, for having been here almost twenty years, the place is almost synonymous with Soccer. But, failing this, there are still several other sites being looked into and it would seem that by mid-1985 something definite will eventuate.

### STATE TEAM

Our senior State Team went to India at very short notice to participate in the D.C.M. Tournament, where they became runners up when they lost by one goal to a stronger Chinese contingent. Whilst they were away competing in this very prestigious tournament, their accomplishments were recorded in the West Australian by Peter Vlahos, who travelled with them. The team was led by Executive Member Graham Oughton and coached by John Davies. Another member of the party was Board Member Ian Greenwood, who accompanied them as co-ordinator.

Nottingham Forest visited us and in the most atrocious weather conditions a large crowd watched a very competitive game played against the State team; however the obvious skills and experience of the English side were far too much for us and resulted in a five-one loss.

One of the factors in our game that I abhor is the members of our fraternity who continue to disparage the game of soccer. Officials of clubs who belittle competitions and possibly give the impression to sponsors that their money is only being generated into a competition not worthy of their interest do little to promote our code. The same people are often critical of the State Team, its accomplishments and the selection of the people who play and administer the team. To be selected for the State Team should be deemed to be an honour and all of us by our attitude should indicate to everybody who receives that honour that they are respected for having been selected to represent Western Australia either at home or abroad.

### STATE LEAGUE

West Perth Macedonia are to be congratulated for winning the State League for the second year in succession, although for a period during the season it looked as though they would never reach that high pinnacle again.

## D'ORSOGNA CUP

Our most prestigious competition, the D'Orsogna Cup, was also won for the second time, by Spearwood Dalmatinac. My congratulations to them for their fine effort.

## TOP FOUR COMPETITION

Floreat Athena probably went against all expectations when they took out the Top Four Cup. West Perth Macedonia as runners-up rounded off a very successful year and I congratulate both teams on being part of a very competitive and successful league season which was reflected right throughout the Federation's four divisions.

## LEAGUES OF MANAGEMENT

Leagues of Management for all Divisions have worked extremely hard during 1984. It would not be true to say that all their suggestions have been accepted by the Executive Board or by the code as a whole, but the fact that they have met regularly and shouldered the responsibility of the position augers well for the good of the game in the future.

## AFFILIATES

The Affiliates of the S.F.W.A. (Inc.) go from strength to strength; the A.S.A. and P.A.S.S.A. have as many clubs each as the Federation and they must be congratulated on their enterprise and organisation. They must bear in mind that this must be kept in true perspective, as it will be of no benefit to anybody if organisations specifically formed to serve one purpose overflow into the area of others.

The Junior Soccer Association carry on as always, competently, and with very little fuss, at the same time achieving a great deal. Their division of duties amongst a very able committee sees all jobs handled well.

Womens soccer is increasing in popularity and their numbers increase each year, with units spread throughout the length and breadth of the State.

## ADMINISTRATION

I think it is well that you should all know that soccer is gradually catching up in numbers with those games which are called "major sports".

Although working in subterranean surroundings our administration still ably acquit their duties to the benefit of all associated with soccer. Their efforts this year have ensured that affiliation fees could be reduced for the first time anyone can recall.

In addition to his normal duties, the Secretary has the onerous task of securing sponsorship for the various competitions the Federation plays. That he continues to be successful in this is a measure of the esteem in which he is held throughout the business community of Western Australia.

I would like to thank everyone in Soccer for having the confidence in me to re-elect me President for a further term and I sincerely hope that in my next Report I will be able to bring you some news on the fruition of all the work that the Federation is putting in to improve the image of the game and the lot of those who serve in it.

## SOCCER PLAYERS ASSOCIATION OF W.A. (INC)

Despite the fact that the Association may not have been prominently in the public eye last season, 1984 was, never-the-less, a year in which it combined to work actively in a number of areas.

Members of the committee represented the players in dealings with Players Injury Fund and on the Soccer Development Committee. As well as this, the Association's advice was sought by several members throughout the year and it is apparent that players in all divisions still regard their Association as a valuable organisation and are aware that it can offer advice and assistance. There is no doubt that the club delegates do a great deal towards fostering such awareness and the Committee's thanks go to them for their hard work throughout the year.

Once again the Players Player of the Year and the Mini World Cup were well supported and continue to generate considerable interest amongst the Soccer fraternity. The Association's thanks go to Puma for its generous sponsorship and support in both of their ventures.

Congratulations are extended on behalf of all members to Eric Morocchi who became the Association's second 'Life Member' and this honour should be seen as a fitting reward for all the hard work which he has put into the organisation and particularly in the handling of the Association's finances during the past years.

Several delegates have suggested that there is a substantial number of new members who may wish to discuss with the committee the manner in which the Association operates and the way in which they might utilise it. In response to this it is proposed that members of the committee will be available to talk to players at their club training and will be prepared to answer any pertinent questions. This policy was followed very successfully several seasons ago and should be of considerable value to younger players and new members. As a step towards ensuring the effectiveness of this approach the Association has appointed Phil Middleton as Secretary/Manager with the express task of co-ordinating all matters relating to the dissemination of information.

As members, players should make the effort to find out how the Association may serve them. It is by definition the voice of the players, but it requires the on-going support of players in all divisions if it is to be effective. The committee meets regularly on the first Monday of every month at the Inglewood Kiev Club and members are encouraged to attend.

Finally on behalf of the Players Association Committee may I wish all clubs and players the very best for a most successful season in 1985.

## VISITORS

Brian Clough's Nottingham Forest flew into Perth towards the end of May. It rained as they arrived. It rained while they were here. And it rained, I think, as they left.

Although their controversial Manager was not with his team in Perth, they were in fact just about the strongest side they could field. They came with an impressive list of both domestic and overseas honours. F.A. Cup Winners, League and League Cup Winners, European Cup Winners, U.E.F.A. Super Competition Winners, in fact over the last few years these visitors had joined the ranks of the immortals.

Their line up was most impressive, and to match this, Alan Vest was given the task which was made all the more difficult by the fact that all of our players were to line up in local league competitions on the day prior to the big match.

The small Velodrome area looked packed as the two teams took the field; although sunny and bright at the time of kick off, ominous black clouds were building up out to the west and the game had just got under way when the district was hit by a storm that seemed close to cyclone intensity. The rain swept across the field in torrents, soaking everyone unfortunate enough to be without cover. Some indication of the storm's strength could be measured by the numerous "inside-out" umbrellas found amongst the debris on the next day.

In spite of the atrocious conditions, the game must have been of high quality, for very few people left the ground. They stayed to see the Western Australian team face another storm in the shape of the Forest players.

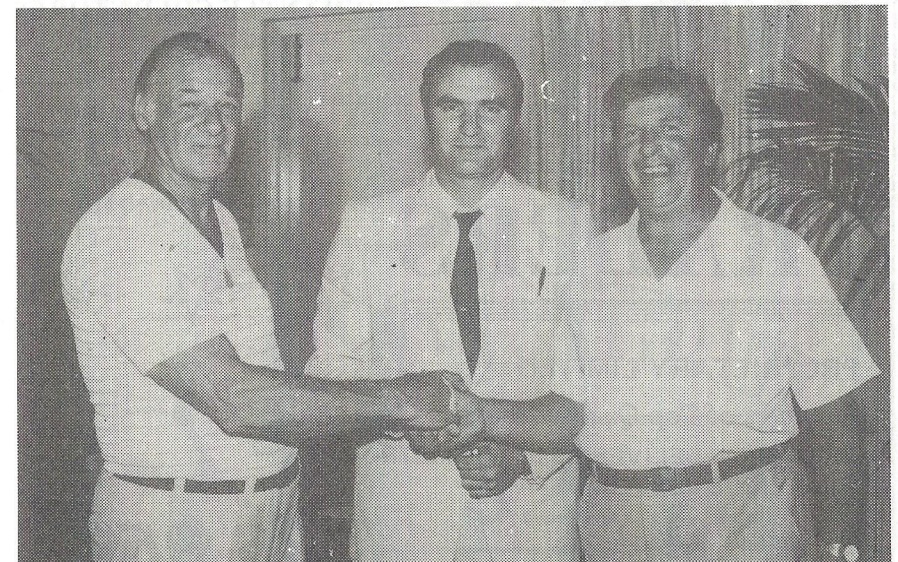

Although the State side tried hard to match the skills of the visitors, they never seemed to have the same space and time to control the ball and formulate their moves.

Strangely, W.A. scored first through Graham Normanton after the referee had penalised the Forest goalkeeper for taking too many steps. Normanton's shot was deflected past the goalkeeper for W.A. to take the lead, but this did not last long as first Davenport, then Birtles scored. After half time it was hoped that the gale force wind would assist the home side, but Swain and Bowyer sealed the issue giving Forest a well deserved victory.

The team members were some of the most friendly we have had here. One innovative move by their manager was his decision not to do any training before the match at all; this threw the media into a spin as well as surprising all the local coaches, but he maintained the team had been playing football for over six months without a stop and did not need additional training. The result of the game proved his point.

*Ian Bowyer and Mike Brennan, the two captains exchange pennants while match officials Planken, Mullally and Mortimer look on.*

*Henry Wren, Balga, and Harry Bush, Forrestfield Utd., newly promoted to the State League, accept congratulations from President Joe Lacerenza.*

## ROTHMANS GOLD MEDAL

It was a glittering occasion on 10th October as some 150 members of the Western Australian Soccer Fraternity packed the Sheraton's Golden Ballroom to witness the counting of the votes in the 1984 Rothmans Gold Medal Award.

Mr Ray O'Connor, former Premier of Western Australia was there, as was Mr John Williams, M.L.C., former Vice-President of the Soccer Federation. Coaches, Presidents, Secretaries, Players, Board Members and Life Members all mingled together in a very congenial atmosphere for the counting of the votes which for the first time in the history of the Award, were all completely secret. In previous years only the last four weeks of games were kept under seal until the night of the presentation of the Gold Medal.

Graham Shenton was the M.C. for the evening and handled it in the same deft manner as he calls the races, in no way imposing his personality on the proceedings to the detriment of the occasion, but being suitably witty and eloquent to do justice to what, after all, for most people was a very serious and nail-biting event.

Rothmans staff were in evidence to work the giant scoreboard, and Mr Jim Long, State Manager for the Sponsor, ably shared the mantle of host with Mr Joe Lacerenza, President of the Soccer Federation.

During the excellent meal, voting was brought up to date between the courses, and by the time coffee was served, three tallies had been recorded to make it apparent that four players were at the top, all on twenty points. These were Mark Gray (Dalmatinac), Ricky Davis (Athena), John Carlin (Croatia) and Jamie McGettrick (Tricolore).

With only four rounds still to be counted, it was almost a certainty that the winner would come from one of this four, although there seemed to be other players still within striking distance.

Tony Pragnell (Galeb) at this stage was on sixteen points, but did not score another point. Gary Marocchi (Azzurri) had thirteen points to his name, but only added two more when they played Gosnells City. Graham Normanton, also of Azzurri, was on fifteen, and unfortunately stayed there until the end; Norrie Sutton, winner in 1982, also polled fifteen votes.

Ronnie Campbell and Harry Long were probably seen to be in with a chance but as the extra pressure of the later games was applied, with each club vying for honours or endeavouring to avoid relegation, so recognition by the referees became harder to achieve.

As Graham Shenton rose to make the final announcement an expectant hush fell over the room and then almost abruptly the result was known — McGettrick 22, Carlin 22, Davis 23 and the Gold Medallist for 1984 — Mark Gray of Spearwood Dalmatinac, with 29 votes! Mark just had time to shake hands with Ricky Davis and murmur "hard luck, Ricky" as he passed him on his way to receive his medal from Mr Ray O'Connor.

It was a typical example of Gray's general demeanour that he was able to commiserate with Ricky Davis as this was the second year running that he had come second, coincidentally by the same number of votes as when he lost to Brent Atherton in 1983.

During the course of the season, 138 players scored points in the Rothmans Gold Medal Award. Only nineteen got into double figures and if scoring does seem low this year, we must remember that this is the first year club coaches have not had the responsibility of casting votes for players in the opposing team.

The moment that the formalities of the presentation were over, Mark was approached by Federation Secretary Ted Gray with the information that he would be playing in the Rothmans Gold Medallists 5-a-side team on the following evening. This team, consisting of former medallists Lee Adam, Norrie Sutton, Gordon Todd, Brent Atherton, David Jones and Ray Ilott (plus Mark Gray) reached the Grand Final of the Lords Indoor 5-a-side Competition, but were beaten by a team from Inglewood Kiev.

## NIGHT SERIES

Coca Cola is synonymous with youth, so it was fitting that most of the teams playing in the '84 Coca Cola Night Series concentrated on youth. Tricolore, Azzurri, Kingsway Olympic and many more put their faith in their younger players as they came out to play the first games of the 1984 series.

After each team had played one game, only four had wins. They were Tricolore, Macedonia, North Perth Croatia and Bayswater Inter and only seven goals were scored in the six games with two of the matches concluding on a nil-nil draw basis.

So the second round concluded and we saw that only Bayswater and Macedonia had full points, the latter team scoring a six nil victory on luckless Gosnells City, and Bayswater with a three nil victory over Dalmatinacs virtually putting that team out of the competition. Twenty-three goals were scored which must have made the spectators happy.

Tricolore, in the final round, emulated Macedonia's feat accomplished two days previously, when they put six past Kwinana United with no reply.

In Group A, Tricolore were at the top with five points, West Perth Macedonia were way out ahead in Group B with six points, and in Group C Bayswater were just one point in front of Kiev whose superior goal average overall gave them fourth place in the Top Four.

In the first semi-final, Inglewood Kiev, winners of the Night Series in 1983, faced East Fremantle Tricolore, with some confidence until their centre defender Mark Johnson was sent off. Tricolore took advantage and scored first through Jeff Lewis; although Kiev equalised in the second half, a goal by Jamie McGettrick put the issue beyond doubt.

The second semi-final, in which Macedonia beat Bayswater with a typical powerhouse play, saw the strong running and accurate shooting of Mike O'Donoghue outshine the brilliance of Paul Tombides, but it was these two players who scored the goals, two and one respectively with Rene DeKoning scoring for Bayswater Inter.

Two clubs of Italian origin were then opposed in the Preliminary Final; Bayswater Inter, newly promoted to the State League, had not yet fully formulated their squad for 1984, but they put up a terrific fight against East Fremantle Tricolore. However, goals from that experienced player Jeff Lewis at young Frank Mariano, were blows for which they had no answer.

### Grand Final

West Perth Macedonia were in the Second Grand Final in succession. Would this be the year for them? Inglewood Kiev had beaten them 1-0 the previous year in extra time. Well, it was almost a case of history repeating itself, for the League Champions were once again to lose out. After a very exciting game it was a goal by young Lou Collova which sealed their fate, and it was John O'Connell's babes who went up to deservedly receive the cup from Mr Mike Ilott of Coca-Cola.

## COCA COLA KNOCK OUT CUP

A competition for teams from the Lower Divisions and some teams from the Amateurs and P.A.S.S.A. was played on Tuesday evenings during the course of the Night Series.

The final was played between Second Division Wanneroo and Amateur team Gosnells Amateurs. The Federation's players just proved to be too strong and ran out winners by four goals to two.

## SWAN LAGER STATE LEAGUE

Swan Lager's involvement in soccer for the first time as sponsor seemed to stimulate the game and helped to produce a brand of soccer that was invigorating to everyone who savoured the brew.

Almost to the end of the competition, four or five teams were still in with a chance to take off the Championship. That West Perth Macedonia did it for the second year in succession is a story of its own. Macedonia began as they had finished the previous year, looking like the most professional side in the league when they defeated Bayswater Inter by four goals to two in the opening match. They continued on for four games without defeat, averaging over four goals per game. Then on the 28th April they met Floreat Athena who had also maintained an undefeated run up to that date. With Alan Vest at the helm, Athena lowered Macedonia's colours on their own ground when Ricky Davis scored the only goal of the game.

At this stage, with four games having been played, supporters of Spearwood Dalmatinac, Perth Azzurri and Gosnells City were feeling concern as none of those teams had yet won a game, although Dalmatinac had had two drawn matches, and Azzurri three.

In the next eight games, Macies struggled to beat Kingsway Olympic by three goals to two, but never won another game in that period, being beaten on the way by low-lying teams such as Gosnells and Azzurri.

The top position on the Swan Lager League Table over the next few weeks was shared by Inglewood Kiev, Athena and Bayswater Inter. Then suddenly Spearwood Dalmatinac were in the top three after an atrocious beginning. They had been quietly been making their way up the ladder with a series of wins which included a six nil defeat of Kwinana United, a feat which they nearly repeated in the return game at Kelly Park when Edwards scored one goal to avert the whitewash. Kevin Elliott scored five goals in that game and two in the previous meeting and it now placed Dallies in a good position to take off the League.

At the 30th June West Perth Macedonia were in sixth position and with over half of the fixtures behind them it looked as though they might be out of the reckoning, but from then on they did not drop another point. On the way they also had their big wins, including a seven one victory over Osborne Park Galeb and then an unprecedented nine nil thrashing of Inglewood Kiev on Sunday 5th August, when Paul Tombides scored five and Andy Sharp had a hat trick.

But what about the other teams? Well, poor Gosnells won but one game, ironically against the eventual champions, when they beat Macedonia 2-1 at Inglewood on 25th May.

Perth Azzurri, being coached by Gary Marocchi, finished in tenth position and at one stage must have been afraid of relegation. However, wins against Kiev and Macedonia were face-savers for them.

Kwinana United began well and were in fourth place after just two games, but then the rot set in and after five games they dropped to one from the bottom and virtually remained there for the rest of the season.

Osborne Park Galeb had nine drawn games and five wins during the course of the season, so on nine occasions came close to taking full points. Inglewood Kiev in second place on the 8th July then went six games without a win, and though beating Athena and Kwinana in the last games of the season, it was not enough to get them into the top four.

Kingsway Olympic promised so much and yet never once did they get into the Top Four. Coach Bill Murray must have been disappointed that they stuck around the middle of the table, and that is where they finished at the end.

East Fremantle Tricolore got hammered five nil by Floreat Athena on 9th June, a confidence-sapping result you would think, but in their very next fixture they did exactly the same thing to Inglewood Kiev, and followed it up with a five one thrashing of Bayswater Inter. Needless to say it was at this time that Peter Murphy joined the club and his name began to appear on the score sheets. His presence no doubt assured that Tricolore made the Top Four.

North Perth Croatia had a good season, especially as they played for half the year without a recognised coach in charge. They finished in sixth place and every club above them except Dalmatinac lost more games than they did, accumulating ten draws throughout the season.

When Alan Vest left Perth early in the season it was thought that would be the end of Athena's aspirations for honours in 1984. Mike Brennan took over as player-coach and broke his leg in the very first game he played in his new position. Surely Ahena would not be able to rise above these two catastrophies, but they rallied their forces and did well to go on and win the Top Four Cup and be finalists in the D'Orsogna Cup.

Bayswater Inter did very well to achieve fifth position after only one season in the State League.

Right at the top it looked like a repeat of 1983 — Champions West Perth Macedonia, 47 points; Runners-Up Spearwood Dalmatinac, 46 points. Kevin Elliott scored 25 goals and got the Golden Boot from Hans Merks Motors.

Championship trophies were presented at a function at the Swan Brewery's Canning Vale hospitality room, which was a most enjoyable conclusion to a very exciting season.

## SWAN LARGER STATE LEAGUE RESERVES

The end of this League was a nail-biter right up to the last game of the season. Perth Azzurri, the eventual winners, did not win a game until their fifth match, when they defeated their perennial rivals Tricolore by three—nil.

They had a fairly good run through, amassing eight draws on the way, until with one game to go, any one of Azzurri, Athena or Kiev could have taken off the championship. Inglewood Kiev were beaten by Athena in their last match, which put Athena on 41 points. Officials of Athena, who were playing at the Velodrome, hovered around the Federation Office for the results to come in, and there it was! Macedonia 2 — Azzurri 2, so both clubs were level on points and Azzurri just took the championship on goal difference.

## SWAN LARGER STATE LEAGUE U/17's

Bayswater Inter, with 61 points, took off the championship with a nine point lead over Kingsway Olympic.

In so doing, they went the whole season without losing a game on the field. The only blot on their one-hundred per cent effort was a game forfeited to North Perth Croatia which was postponed through the club's players having State Youth Team commitments. Alternative arrangements could not satisfactorily be arranged between the two clubs and North Perth Croatia picked up three goals and three points. Apart from this, the only other points they lost were when they drew with Gosnells City, two—two, on the sixth game of the season.

S. Racey scored nineteen goals for his club, but even he was outdone by Gossage of Spearwood Dalmatinac, who scored twenty-five of his club's final tally.

## SWAN LAGER TOP FOUR CUP

Against all predictions, the Top Four Cup still has considerable appeal to the local soccer fans; quite large crowds turned up at all the matches in this year's State League competitions.

The First Semi-Final, played at Kingsway Olympic's ground was between Floreat Athena and East Fremantle Tricolore. It was a dour struggle between two teams who looked as though they had been through a hard season. Paul Wormley found the target for Athena 24 minutes after the commencement of the game and although Tricolore tried everything they could from then on, they just could not get past Chris Barbas in the Athena goal.

The next day down at Wauhop Park, West Perth Macedonia faced arch rivals Spearwood Dalmatinac on an arena which must be filled with traumatic memories for both clubs. Nevertheless they served up an exciting match full of incident, which kept Referee Ernie Lee on his toes. The result was decided when Chris Proctor shot into the goal from 15 metres to score the only goal of the game and so put Macedonia into the Grand Final.

The Preliminary Final was staged at Inglewood Kiev's ground, and a large crowd turned out to see the clash between Athena and Dalmatinac. If chances were goals, Spearwood would have been home and hosed by half time and the second half would have been merely perfunctory.

Athena's John Quinn cleverly nodded a cross into the penalty area where Dave Deakin gleefully gathered up the opportunity to put his team one up. But without Keven Elliott, who was absent through injury, Dallies could have stayed there all night without scoring.

Athena, the underdogs, third in the league, were not given much chance against the mighty Macedonia, league champions for the second year in succession and playing at full strength on virtually their home ground. But forget the pundits — let us leave it to the players on both sides, who provided one of the best games ever seen in W.A. Everyone was astounded to see the scoreboard after thirteen minutes reading Athena 2 Macedonia 0. But it was true. Big Paul Wormley had put Athena ahead in the opening minutes and just twelve minutes later the ageless John Quinn plotted the ball past John Alavakis.

It was end to end stuff and just before the interval, Ross McGinn pulled one goal back for Macedonia, and then in the 50th minute Andy Sharpe put them level with a fine goal. In normal circumstances it would have been expected that Athena would wilt under the continuous pressure, but they were not done yet, and in the 59th minute Alan Bourton scored with a brilliant header from a powerful corner.

The appreciative crowd stayed behind to applaud both teams as they received their trophies from the President of the Soccer Federation, Mr Joe Lacerenza.

## SECOND DIVISION

Jimmy Pearson, one time Australia player, and coach extraordinaire, must surely claim this year as his. He picked up a dispirited Forrestfield United team who had just suffered the humiliation of relegation and through sheer guts and fortitude has pulled them back into the State League.

Forrestfield lost their first match and drew the second in their new lower league, but from then on they didn't lose another game. Their winning sequence was marred only by two drawn games recorded against Bassendean Caledonian and Kelmscott.

Once they took the lead on the table on the 21st May they only relinquished it on two occasions to arch rivals Balga. It must have been like "old home week" whenever they faced Balga, for playing against them could be: Reg Davies, past player and coach of Forrestfield; Ral Ilott, also past player and coach; Trevor Davies and Bert Kirkpatrick, further previous players of Forrestfield.

But Balga had a great year. They joined the newly formed Fourth Division in 1979 and in the space of five years they have made their way into the highest possible echelon of Federation soccer. During the course of the season they lost five games, two to Forrestfield, one to Wanneroo, and two to Cockburn United — one of which was a six-one drubbing on their own ground at Princess Road.

Balga's Ray Ilott was running up in this Division's highest goal scoring, just four goals short of Bassendean Caledonian's Neil Blunt, who had put twenty-three away.

Alan Taylor, back from a spell in England, led Cockburn United into third position, which was one place higher than they achieved in 1983.

Ernie Todd, given the reins in his first senior team by Kelmscott, did well to get them into the Top Four. Only a lack of consistency in mid-season stopped them from being further up the league ladder at the end.

Bassendean Caledonian had the second highest goals for, fifty two to be exact, but they had 38 against, as compared with Forrestfield's 51 for and only 12 against; whilst it was Balga who had the highest tally of 55 for and 23 against, to give them an average of 2.5 goals per game.

Rockingham United started off well. They hit the top by the fourth game of the season and maintained that position for a period of four weeks, until they lost to Swan Cracovia who were eventually relegated to the Third Division.

Wanneroo, who spent most of the season at loggerheads with the Federation over the club's inability to field an U/17 team, finished seventh on the league ladder, and subsequently were on the wrong end of some very substantial fines.

Balcatta Etna were two places lower than they achieved in 1983, so they would not be pleased with their overall performance which is not up to the standards they have previously set themselves.

Melville Alemannia, relegated into Second Division last year, looked at times as though they would suffer the same fate and finish up in Division 3 in 1985. Good wins in the second half of the season against some of the higher placed clubs ensured that they would not face this ignominy and that their place in the Second Division was secure for another year.

Morley Windmills, but a shadow of their former selves when they were a side regularly vying for honours at First Division level, managed to finish ahead of the bottom two teams.

Soccer enthusiasts will be concerned at the apparent demise of long established clubs Swan Athletic and Swan Cracovia, especially as it comes close on the heels of that other Swan club, Valley, disappearing into the Amateur Association. Let us hope that we are not going through our own version of Pavlova's Dying Swan. So we'll see Forrestfield and Balga in the Big League next year, and Gosnells City and Kwinana United taking their vacancies up in the Second Division.

## DIVISION II RESERVES — 1984

"Anything you can do, we can do better" was almost the case with Forrestfield United reserves, who emulated the feat of their senior team by winning their League.

They produced sixteen wins, four draws and two losses which was only marginally lower than their first team colleagues.

Unfortunately Balga's reserves couldn't match their senior side and finished in eighth position.

Morley Windmills did well to get into the fourth spot and were headed by Rockingham United by only one point.

Dawn at the foot of the table it was an exact repeat of the Second Division, with Swan Cracovia and Swan Athletic holding eleventh and twelfth position respectively.

## YOUTH LEAGUE DIVISION II

In spite of some clubs expressing difficulty in fielding an Under Seventeen team, as usual the Second Division competition proved to be as strong and as competitive as ever.

Rockingham United finished champions, with an impressive seventeen wins, two draws and three losses, scoring 59 goals, with only twenty put passed them.

Balcatta Etna were second, followed by Swan Cracovia who, over the past few years, have not been able to find a senior side to emulate the endeavours of their juniors. They had the highest goal scorer in M. Ross, who netted fifteen times and oddly enough, Rockingham United, the winners, did not have a goal scorer in the top six. Their players Daly and McQuillan scored seven each, with Kelly following closely behind with six.

B. Bushnell of Kelmscott was the Fairest and Best player, scoring 20 points, just four ahead of P. Burke, of Balga.

## THIRD DIVISION

Sorrento went eighteen games before their colours were lowered by Fremantle Benfica. It was only a one-nil victory on Sorrento's ground, with Benfica's Alex Vagliavello scoring the all-important goal, and was insufficient to take the championship away from Sorrento. Benfica was breathing down their necks right throughout the season and at the end were just four points behind, a very commendable effort for a club who only joined the Federation's Fourth Division in 1981.

As the season came to a close, Sorrento could look back on results that included just the one loss, five draws and sixteen wins. They scored a relatively few 43 goals for a championship winner, but had an incredibly low eight goals against. So they had fifteen games when the ball did not enter their net in anger. An odd fact is that of the seven clubs who did break through their seemingly impregnable defence, two were teams who ended up in the relegation zone — Perth City and Canning Corinthian, whilst Bunbury City did well to take Sorrento to a 2-2 draw, chalking up the highest number of goals scored against Sorrento in any one match during the season.

Fremantle Benfica go into the Federation's Second Division after two seasons with Roger Dale as coach. Under his leadership they won the Fourth Division League and the Top Four Cup in 1983, and to be runners-up in the Third Division in 1984 is no mean feat. Ultimately they must be looking for State League soccer at their headquarters, which has the potential to be one of the best grounds in the Federation.

Queens Park probably thought it was going to be their year. They hit second spot after the 12th May, when two goals by Devereaux gave them a two-nil win over Leederville Espanol. They held firm for seven weeks until they had three draws in a row, which under the present system means a loss of six points. Nevertheless it was a good year for them, finishing third, just one point behind Benfica.

Subiaco also had a good year compared with 1983 when they just managed to finish third from the bottom. Fourth spot in 1984 was a great improvement although they were twelve points behind Queens Park.

Bunbury City had hopes of making Second Division in 1984, but this was not to be. They lost seven games away from home but on their own recreation ground they lost only four.

Leederville Espanol finished fifth and had a hectic season one way and another. They were followed by Bunbury City, East Perth Vardar, Booragoon Zavicaj and Mt. Lawley Serbia, in that order; the last three showed a lot of potential early on, but now seem to have reached their level.

Whitford City, with great plans in the pipeline for headquarters, should be doing much better than they are.

Perth City struggled into the Second Division in 1982 but have now tumbled straight down into Division 4 in the short space of two years.

Canning Corinthian finished up on the bottom with only one win to their name when they beat Leederville Espanol four goals to one on 21st April.

The Third Division's Fairest & Best player was Alan Pye of Sorrento, and East Perth Vardar's striker Paul Toutountzis put nineteen goals away to become the League's highest goalscorer for 1984.

### 3rd DIVISION RESERVES — 1984

Sorrento Reserves won nineteen League games which was a better record even than that of the seniors. They only drew two games as opposed to their First team's five and their goal statistics were even more impressive — scoring 67 for and only 10 against.

Fremantle Benfica, like their own illustrious colleagues, also came runners-up in the Reserves and were followed by Subiaco City and Whitford City who certainly showed some improvement over their senior side.

But all in all, the Reserve Teams still have plenty of interest and it will be a shame if they are dispensed with in the future.

## FOURTH DIVISION

Page 31 in the 1978 Year Book had the heading: "Division Four" beneath which the opening paragraph said "With all the hullabaloo of a Hector Crawford Television Extravaganza, the Soccer Federation has created its own Division 4."

I thought I might be writing of its demise this year, as it was taken off the air with all its players and technicians being redundant until another vehicle came along to carry them forward. But I'm glad to say it has been saved and at least 27 weekly episodes will be produced again in 1985.

In 1984 Jim Larkin, that doyen of soccer at the Graylands Hostel at last saw his team win a Federation League championship when they headed Bedford United by seven points, and it was Bedford's John Welles who notched the highest number of goals with a total of 22. He also shared the highest Fairest & Best points with J. Larkin of Graylands and Dave Gard of Kalamunda.

So those left will be joined by Perth City and Canning Corinthian from the Third Division, and a welcome new face in the Armadale Park Soccer Club.

### FOURTH DIVISION RESERVES

How frustrating it must be for Kalamunda. This is the third year running that their Reserves have won their league, and they must be wishing their first team could emulate this achievement.

But in any league at any level to win it three years in a row is worthy of special mention, so congratulations — Well done, Kalamunda Reserves.

## METROPOLITAN LEAGUE

Kelmscott won the league for the second time with a most impressive season. They won 14, drew 1 and lost 1. Their goals for 87, with only 18 against, a goal difference of + 69. It was no wonder their players topped the goalscorers lists. G. Wood, with 28 and his colleague P. Osborne, with 21 did an excellent workmanlike job for their team.

University were runners up and Kingsway Olympic, who won the Metropolitan League for the first four years of its inception, were third, followed by Wanneroo.

## D'ORSOGNA CUP

Without a doubt, the D'Orsogna Cup gives an opportunity to all clubs to experience a variety of soccer.

Take country team Albany, this year. In pursuit of success in the D'Orsogna Cup, they travelled some 3,564 kilometers. Their first game was a win against Eastern Goldfields. They were then drawn against Amateur Association club Mandurah, whom they defeated by two goals to one. Finally, a long trek to the Kingsway Reserve where their aspirations were thwarted by State League club Kingsway Olympic whose extra skills and fitness saw them through for a 3-1 win.

Restrictions by some shires on the use of their grounds until the second week in April caused some problems to start with, but eventually all the preliminaries were finalised.

Kelmscott, the Second Division side just taken over by coach Ernie Todd, started off by beating Swan Cracovia in the first round and in the next put paid to State Leaguers, Tricolore, by beating them 2-1 at Wauhop Park. But their advance was halted when they met Bill Murray's Olympic Kingsway in fine form, and goals by Bates (2), Budgie Middleton (1) and a brilliant solo effort by Willie Herd late in the second half sealed Kelmscott's fate, even though they fought back valiantly in the closing minutes to score two goals through Parker and Smith.

Spearwood Dalmatinac showed no neighbourliness towards Cockburn United when they thrashed them by seven goals to one. Kevin Elliott scored four, Gavranic two and Mike Smith one to make up their total, and Cockburn veteran Tony Thorpe scored his side's consolation goal.

On the Sunday following, Azzurri went down to Second Division Forrestfield United when a solitary goal by John Thornley was sufficient to see them crash out.

Floreat Athena, at that time top of the State League, indicated that it was a deserved position when they beat Macedonia 2-1. Wormley and Davis were the goal scorers for Athena, whilst Macedonia replied when Jim Davies forced the ball over the goal line.

The Semi-finals proved to be exciting contests. The first at the W.A. Yugoslav Club between Spearwood Dalmatinac and Kingsway Olympic had to be decided by penalties after a tense ninety minutes play with no score kept the crowd on edge throughout the afternoon. Dalmatinac ran out winners by four goals to three, rather an inglorious way to conclude a most entertaining game.

At Dalmatinac Park the following day, the second semi-final was contested between the leader of the Second Division and a team holding a similar position in the State League. It was a tough game with no quarter given by either side, and in the closing minutes just after Paul Wormley had scored his second goal to break the deadlock of a 1-1 draw, nearly every player on the field became involved in an all-out brawl. The only players not to throw a punch seemed to be Micky Palmer who was too far away and Phil Middleton who was sitting on the bench having a rest.

Came the final at the Inglewood Kiev Soccer Ground, and compared with the excitement of the semi-finals the Grand Final was something of an anticlimax. The mid-fielders of both sides dominated the play, giving opposing strikers little opportunity to score. Finally it was young Frank Vesich, whom coach John Davies had turned from a full-back into a mid-field player with specific instructions to neutralise the danger of Athena's Ricky Davis, who rose to the task admirably and scored the solitary goal that gave Spearwood Dalmatinac the D'Orsogna Cup for the second year in succession.

# LOWER DIVISIONS TOP FOUR CUP

## RESERVES CUP, 1984

Due to the lack of grounds there had to be two preliminary rounds of the Reserves Cup in 1984. Results were fairly predictable until the first round proper, when the State League came into the competition for the first time.

Even then there were few surprises, but Mandurah from the Amateur Soccer Association defeated Albany 10-9 on penalties and became the only non-Federation reserve side left in.

Mandurah went down by five-nil to Kingsway Olympic in the next round.

In the quarter finals, 4th Division Mirrabooka United, who had gallantly struggled through, succumbed to the might of Morley Windmills when beaten by five goals to nil.

So three State League sides and one 2nd Division team contested the semi-finals. Inglewood Kiev knocked out Osborne Park Galeb with a four-two win, and East Fremantle Tricolore put six past the Morley Windmills goalkeeper.

Tricolore, who had previously won the cup more times than any other club, were then pitted against the incumbents, Inglewood Kiev, in the Final.

But it was Inglewood Kiev who retained the Cup with a sparkling two-one victory, both goals being scored by David Lee, whilst substitute Rudi Trollo replied for Tricolore.

The Second Division decided not to have a Top Four Cup in 1984, and it was left to the 3rd and 4th Divisions to maintain the continuity of this competition.

## Division III

In the Semi-Finals, Queens Park, on their own ground, beat Subiaco by three goals to one, whilst up at Percy Doyle Reserve, Fremantle Benfica just lost on penalties to the home side, Sorrento.

The preliminary final, played at the W.A. Portuguese Club also went to penalties before Benfica could beat Queens Park 6-5.

In the Grand Final, Benfica won the cup when they defeated Sorrento on penalties, which was probably predictable when one considers all the practice they had in the prior weeks.

## Division IV

University and Kalamunda were locked in a nil-nil draw after full time in the first semi-final, and only David Gard was able to net for Kalamunda whilst four of the other team scored.

Bedford had a comfortable four-two victory over Graylands and Graylands went on to lose to University in the Preliminary Final.

But Uni were no match for Bedford in the Grand Final when three goals, through Hayward, Hill and Wells were too much for the solitary reply netted by Andy Kennedy.
